

Australia & New Zealand

United States & Canada | Europe, Middle East & Africa | China

Every year we give grants to increase access to CS education by funding computer science professional development programs for educators.

50,000+

teachers

50+

countries

2,000,000+

students

Over 50,000 educators have benefited from training by expert PD providers dedicated to growing the confidence and skillset of new and future CS educators.

This is a complete list of grantees from around the world since 2009.
