

Reach millions of people online, quickly and for free—with Google Places

Be found on Google today: Claim your business listing on Google Places

One out of five searches on Google is related to location. An accurate Place Page is one of the easiest ways to stay visible online.

To get started:

1. Simply log in or create a free account at www.google.com/places
2. Click “Add New Business” to claim your listing
3. Then, verify your information. If you have extras like photos and descriptions, you can add them now or come back later

Make the most of your listing on Google.

Customize your listing today with Google Places, to attract customers and help your business stand out from competitors. At no cost to you, your Place Page can include:

- Detailed information on your product or service
- Coupons customers can print out and use
- Live updates on daily or weekly specials
- Photos of your business
- Business hours
- Service areas (which geographic area you serve)
- What products and services you sell
- How to find parking
- Anything else that helps explain your business

You can also get valuable information about your business.

Google Places isn't just a great way to help customers find out about your business. It's also a great way for you to learn about your customers. Through your Google Places dashboard, you'll be able to access important data and make smart decisions. Find out:

- How many people are searching for you on Google
- What they searched for to find you
- Which zip codes they're coming from
- How many people recently viewed your Google Place Page

...and more.

For more on bringing the power of Google to your business, visit www.google.com/places.
